

Breakout Sessions

-Structure and objectives

LOGISTICS

Split into 4 Groups (colour coded)

GROUP A- fossil & nuclear (Derek Allen)-Blue Room

GROUP B- fossil & nuclear (Steve Garwood)-Red Room

GROUP C- Renewables (John Oakey)-Green Room

GROUP D- Renewables (Brian Cane)-Green Room

OBJECTIVES

- **Discuss the 4 key questions**
 - Drivers?
 - RD&D priorities?
 - Barriers?
 - Recommendations?
- **Prioritise**
- **Identify any other key issues**
- **Membership of Task groups**

Suggested Process

- Review 4 questions ~15-20 mins each question including discussion. Suggest most time will be on R&D priorities & recommendations
- Open discussion-Try not to completely 'filter'/ignore any comments
- Group/consolidate the answers
- Prioritise

- Facilitators to summarise the key issues/output for each Group for wrap-up session

WAY FORWARD/ ACTIONS

- Feedback will be consolidated and reported back to attendees. (within 2 weeks)
- Task Groups 1&2 will be formally formed by Chairs (within 4 weeks)

Probably at 2 levels:-

- Core group (~6) responsible for bringing together document (ie. the workers to write SRA)-OFFERS??
- Consultation Group (ie. the consultants)-OFFERS??
- A current register exists , this will be expanded to include new members and the core team selected.
